DESCRIPTION

Move-in ready house with multifunctional space, solar panels, and prime location in Beveren

This well-maintained house in **Vrasene (Beveren)** offers a rare combination of **comfortable living, energy efficiency, and functional flexibility**. Thanks to the thoughtful layout and the additional multifunctional space, this property is ideal for families, self-employed professionals, or remote workers seeking both space and value.

Upon entering, you are welcomed into a **bright living area** where coziness and functionality come together. The open kitchen seamlessly connects to the living space and forms the heart of the home — perfect for those who enjoy cooking and dining together. Adjacent is a **sunny south-facing terrace**, ideal for enjoying outdoor life in peace.

A major added value is the **multifunctional space on the ground floor**, offering many possibilities: practice room, office, hobby room, or extra garage. This makes the house perfectly suited for those who want to **combine living and working**.

On the first floor, there are **three full-sized bedrooms**, including a spacious master bedroom with an adjoining **dressing room** (also usable as an extra bedroom or office). The bathroom is generously sized and equipped with both a bathtub and shower, double sink, and toilet — practical and comfortable for the whole family.
