## DESCRIPTION

Residence Park Vest has not stolen its name, located on the vests in Beveren with a large private Park of more than 7,000 m². This residence is ideally located between Beveren and Melsele, within walking distance of the main market place of Beveren, Cortewalle Castle and the shops of Pareinpark.

This beautiful and timeless new-build project will become the new home of 12 luxurious apartments, all with a spacious terrace or private garden (high-end finish). There is also a possibility to purchase underground parking places or garages in the Residence.

The modern architecture, the quality materials and finish, as well as the energy efficiency ensure years of living pleasure or an ideal investment.

By using extra energy-saving measures such as super-insulating triple glazing, these apartments achieve E-level 30. This means that they are Almost Energy Neutral (BEN), so that in addition to the low monthly energy bills, you can also enjoy during the first 5 years a 50% discount on the property tax.

This project is also eligible for the reduced VAT rate of 6% - ask us for the conditions!

Prices are exclusive VAT and registration costs.
